Krispy Kreme is dedicated to paying coffee farmers a fair price. Although they are not a fair trade certified brand, they pay a fair price directly to the many small farms that they work with.

- **Freshman, Sophomores & Juniors:** Fundraising now can pay for band trips in the future! They can even be put towards new band shoes.
- **Seniors:** Thank you for your commitment to the band program and we hope that you will fundraise, knowing that your account balance helps support scholarships for students to be able to participate in trips which are such a wonderful part of our great program.
